Dear families,

From our shared school vision ... 'At St Mary's we are there for each other, supporting staff and families through good and bad times, always showing hope.'

Thank you for the loving thoughts, prayers, gifts and messages of support you have given Annie, Tony, Ted, Dan and Alice this week after the passing of Annie's lovely mother. I know they are all humbled by your generosity and kindness. It's times like these when our community really pulls together and our values of faith, hope and love shine brightly.

I'd also like to thank you for the support you have given us as staff this week knowing that our usual day to day regime looks a bit different at the moment.

Cheers, Mallory

The buskers hard work a few Friday's ago paid off, today they reaped the reward of their effort with the largest pizza order in history. With the left over money they purchased a new bluetooth speaker for our mate Jimmy so he can listen to his favourite playlists – rock on!
